

# Local banking for the digital world.

## Banno Online Banking

We know that online banking is an important way for you to access your First National Bank of St. Ignace accounts. We have heard your requests for upgrades and we are responding! Exciting innovations are coming this fall to FNBSI Online Banking! Stay tuned for details and thank you for trusting us for your digital banking needs.

## New Features

- **Online Contact:** Chat with FNBSI directly from your online banking will be available to you during banking hours.
- **External Funds Transfers:** Transfer funds to and from accounts that you own at other banks, through your online banking.
- **Transaction Alerts:** Know when any transaction hits your account with new alert types.
- **Transaction Details:** Snap a picture of your receipt, add notes, and categorize your spending.
- **Person To Person Transfers:** Person to person payments.

## New Mobile App

Our mobile app will also be getting an upgrade. The app will be available in both the Apple App Store, as well as the Google Play Store the day we go live with our new products.

**NOTE: We will be getting a new app, from a totally different publisher. You'll need to delete your current GoDough App, and download the new one, on or after September 28. We'll provide links at the appropriate time.**

We think you're really going to love our new online banking service. Everyone at FNBSI has been working hard to provide you with the service that you want and need. We love to be able to offer you anything that a "big" bank can, but stay true to our small town roots.

Stay tuned for more details as we get closer to the kick off of these exciting new services!
